

stuff proudly offers art classes all year long!!

Join local mosaic artist Kelly Aaron for an amazing adventure into the world of found object mixed media mosaic. This creative class will have you using broken dishes, buttons, beads, and junk jewelry to conjure up a truly unique piece of art. You need only bring your creative self to the classes, and we will supply the rest. Choose to create a picture frame, a plaque, or a switch plate. You must sign up for two classes - one to glue and one to grout.
