The Very Hungry Caterpillar

2008

arty cats

Molly + colleagues,

Even before we got your great note in the mail, Zoe + I were talking about how beautiful + creative your inventory was + how amazingly friendly you guys were.

We had a blast at the Fire-Wizards game + met more of KC's kind residents.

Thanks for your hospitality warmth + great house numbers.

Please thank the artist for us. We love their work at

To: the great staff at
